NSSE 2016 Experimental Items Codebook

NSSE Usability Questions
We would like to ask you three questions about this survey's design, and then give you an opportunity to comment on the quality of your educational experience.

<table>
<thead>
<tr>
<th>Item #</th>
<th>Variable</th>
<th>Variable Label</th>
<th>Values and labels</th>
</tr>
</thead>
</table>
| Question 1. | DEB1601 | Considering factors like ease of navigation, ease of reading the screen, and ease of selecting responses (but not question content), please rate how easily it was for you to complete this survey. | 1 = Not at all easy  
2 = 2  
3 = 3  
4 = 4  
5 = 5  
6 = 6  
7 = Very easy |
| Question 2. | DEB1602 | How would you rate the visual design of the survey?                                                                                                                                                          | 1 = Poor  
2 = Fair  
3 = Good  
4 = Excellent |
| Question 3. | DEB1603_txt | In the space below, please offer any feedback you have about the survey’s function and visual design.                                                                                                     | Write-in response |
