Are you engaged?

Engaged in Dana, that is.

This year Dana will be participating in the National Survey of Student Engagement (NSSE), a survey about the experiences of college students, and we want your opinion! We will use our results as a guide to help us make changes in policies, curriculum, and resources.

Give us your thoughts!

On February 23, all freshmen and seniors were sent an important email invitation to participate in the survey. Your feedback would be very much appreciated! If you missed the email invitation check with Student Life or watch for a follow-up email!
