UC Denver needs to know what our students think about:

• what they’re learning
• class assignments
• schedules
• advising
• working and family commitments
• and a whole lot more!

During February, freshmen and seniors will be invited via e-mail to give feedback through the National Survey of Student Engagement or NSSE. NSSE results can help us make changes that improve students’ experiences.

Students who participate by March 2nd will be eligible for a drawing to win one of twenty $50 gift cards.

For general information, see:
http://nsse.iub.edu/html/about.cfm
