SENIORES AND FRESHMEN ASKED TO TAKE SURVEY

Thu., Mar 04

Attention seniors and freshmen: Southern wants your feedback! You may have been selected to complete the National Survey of Student Engagement (NSSE).

You may have received a message from President Norton in your MySCSU e-mail, inviting you to complete the Web-based NSSE survey. If you haven't already done so, check your MySCSU account, and if you have this email, please complete this brief and confidential survey to help the university continue to improve its programs and campus life.

Several incentives are being offered to students to encourage their participation in the survey. Each student who completes the survey by March 20, 2010, will be entered into a drawing.

- Twenty-first-year students will receive priority registration for fall 2010.
- Six seniors will receive priority parking for one month.

You have the chance to have your voice heard if you want a say in improving the quality of services at Southern. Remember, the survey is confidential and only takes approximately 15 minutes to complete.

So what are you waiting for? Hurry, we need your opinions now!

If you have any questions, please contact Dr. Marianne Kennedy in the Office of Assessment and Planning (kennedym4@southernct.edu or x 203-392-2761). You may also wish to visit the NSSE Web site at http://www.nsse.iub.edu/. The 2009 SCSU NSSE summary report is now available online at: http://www.southernct.edu/academics/academicaffairs/assess/reports/.
