## Study # 06-11006

### What it's about—

Please tell us about your university experiences. The information from this National Survey of Student Engagement (NSSE) is used by faculty and administrators at your institution and by other higher education leaders to improve the collegiate experiences of undergrads.

Students from universities across the country are also being asked these same questions— about how they spend their free time, what they feel they have gained from classes, and their interaction with faculty and other students. Filling out the questionnaire takes about 15 minutes. Your participation is completely voluntary.

### Things you should know—

Your responses will remain confidential and no information associated with your name will ever be released publicly. Your name will not be used in any report. No one will use the information in any way that could cause problems for you. This survey is conducted on behalf of your institution by the Indiana University Center for Postsecondary Research; we will send your identified responses to your school for institutional assessment.

If you have questions at any time about the study or the procedures, you may contact the National Survey of Student Engagement at [nse@indiana.edu](mailto:nse@indiana.edu) or by calling 812-856-5824.

If you feel you have not been treated according to the descriptions in this form, or your rights as a participant in this research have not been respected, you may contact the office for the Human Subjects Committee, Indiana University, Carmichael Center L03, 530 E. Kirkwood Ave., Bloomington, IN 47408, 812-855-3067, by e-mail at [iub\\_hsc@indiana.edu](mailto:iub_hsc@indiana.edu).
